Atswa Study Pack Management:

TIME MANAGEMENT IN THE LIFE OF A SCHOLAR Kabiru Isa Dandago, 2015-12-05 Time management is a subject that concerns everybody. It is a challenge that has to be faced squarely by everyone who is interested in accomplishing his/her tasks within the limited time available and this time is equally endowed. Good time management is an important factor in getting things done within the available 24-hour period of a day. This book specially targets scholars who should be role models to other people on effective time management and utilization. It is also hoped that the book will stimulate further research on the principles, models, and theories of time management. Although the book has the scholar in mind, other users of time in the various sectors of any economy will also find it useful. *Daily Graphic* Kingsley Inkoom, 2014-09-02
