LONG TERM CUSTOMER BASE HERE ARE SOME SIMPLE AND QUICK MUST KNOW CONCEPTS FOR A CAR SELLER DEALER DEALERSHIP OR ENTREPRENEUR TO UNDERSTAND TO BE ABLE TO SELL A VEHICLE OR TO SELL MORE VEHICLES TO CUSTOMERS AND CREATE A SATISFIED AND RELIABLE LONG TERM CUSTOMER BASE As you are reading remember this there is nothing wrong with making a lot of money as long as you make it the right way AND it s not what you do but rather how you do it I have been a successful car sales person for about 13 years and a Licensed Car Dealer for approximately 11 years I have owned and ran my own dealership for about 11 years as well Therefore I know this business very well through my own experiences and can tell you what it takes to be successful in this business and how to maximize your money making possibilities This very short book will give you the ABSOLUTE confidence from the beginning to the end of the car selling process of how to sell a vehicle and make thousands of dollars and create a very satisfied and reliable long term customer base that will serve you well for a long time This book is ABSOLUTELY the way to minimize the price you pay for a vehicle and an ABSOLUTE way to make sure you acquire quality vehicles and an ABSOLUTE way to sell more vehicles and an ABSOLUTE way to maximize the profit you make at the sale of the vehicle and an ABSOLUTE way to get more customers and an ABSOLUTE way to ensure you create a very satisfied and long term customer base that will serve you well for a long time If you do not know these concepts and car selling tips you will CERTAINLY pay more for the price of the vehicle and or you will be selling low quality vehicles and thus sell less vehicles and or you will DEFINITELY make less profits and you will not have many satisfied customers and you will not be able to create a long term satisfied customer base FURTHER this book is short and straight to the point This book is also very simple to follow and all the concepts are disclosed in a way that is manageable so you can master them easily and quickly and commit them to your memory or strategy and go into the car selling process with extreme CONFIDENCE and make a lot of money and have a very happy and satisfied long term customer base By now we all are aware that Dealers Dealerships Sales People and Sellers of vehicle s make more when they sale the vehicle at a higher price There is no secret that the seller s whole motivation is to sell a customer the vehicle at the highest price possible and or at the highest interest rates possible and or on the seller s terms It is a very common practice in dealerships that the higher the sales person sells the vehicle for the higher the sales person s commission The higher the interest rate the higher the sales person s commission The more the sales person can convince the buyer to sign the contract closer to his terms the higher the sales person s commission Therefore it should not be a surprise to you that if you were to change this mindset and you become a seller with the mindset to create a satisfied customer then you would be well on your way to out doing the competition Thus you need to gain the most knowledge and develop strategies and tactics to create a satisfied customer base It s simple No customers No business This is just common sense The concepts and the explanations of these concepts will CERTAINLY put you at a better advantage and stimulate growth for your business These concepts are a must know This book entails a very concise and short but thorough straight to
