**REVISION  
BOOKLET**

**TERM 3 & 4**

*This revision program is designed to assist you in revising the critical content and skills covered during Terms 3 and 4. The purpose is to prepare you to understand the key concepts and to provide you with an opportunity to establish the required standard and the application of the knowledge necessary to succeed in the GRADE 11 examination. The content in this revision booklet is mostly presented by means of mind maps. This will help you to understand the content easier and also see the relationship between the topics. In most cases, content is integrated with mapwork. This revision booklet should be used in conjunction with the lessons of term 3 and 4.*

## 2014 Geography Grade 11 Scope:

*Textbooks and Educational Media: Perspectives from Subject Education* Péter Bagoly-Simó, Zuzana Sikorová, 2021-08-05 This book brings together empirical research and conceptual work on textbooks and education media from 13 countries and 17 disciplines. Along with textbook production usage and development it also explores the interconnectedness of educational policy and teaching and learning materials. Further the book offers insights into regional and local discourses e.g. specific theories of Portuguese and Spanish speaking countries as well as Nordic countries contrasting their theories with international literature practices and solutions with regard to teaching selected subjects at the pre primary, primary, secondary and tertiary level. This book also discusses the specific combinations of subjects e.g. Physics, Biology, Geography, Swedish, English and their subject specific education e.g. Physics Education or Didactics. Lastly it examines the work of a number of early career researchers giving them a voice and bringing in fresh ideas currently being developed in various countries around the globe. This proceedings volume will appeal to publishers, subject educators in primary, secondary and tertiary education and academic researchers from the fields of textbooks, educational media and subject specific education. Its international authorship and explicit focus on subject specific particularities of educational media provide a unique and comprehensive overview.

Insights into Disciplinary Literacies Ainara Imaz Agirre, Roberto Arias-Hermoso, 2025-11-28 Offers fresh perspectives on academic and disciplinary literacies across a range of contexts. This book presents empirical evidence of the academic and disciplinary literacies that learners engage with in educational contexts. The chapters focus on the languages of schooling in first, second or foreign language contexts across primary, secondary and higher education. The book is divided into two main sections. The first section focuses on students' voices and perceptions, providing new insights into the difficulties they encounter when developing academic or disciplinary literacies in different contexts and disciplines. The second section addresses students' academic or disciplinary literacy skills, both productive and receptive. The chapters include qualitative, quantitative and mixed method studies and provide valuable new insights across a range of educational contexts.

*Handbook of Research on International Approaches and Practices for Gamifying Mathematics* Huertas-Abril, Cristina A., Fernández-Ahumada, Elvira, Adamuz-Povedano, Natividad, 2022-05-13 Game based resources provide opportunities to consolidate and develop a greater knowledge and understanding of both mathematical concepts and numeracy skills which present opportunities and challenges for both teachers and learners when engaging with subject content. For learners for whom the language of instruction is not their first or main language this can present challenges and barriers to their progress. This requires teachers to reconsider and adapt their teaching strategies to ensure the needs of these learners are fully addressed thereby promoting inclusion and inclusive practices. The Handbook of Research on International Approaches and Practices for Gamifying Mathematics provides relevant theoretical frameworks and the latest empirical research findings in teaching and learning mathematics in bilingual, plurilingual education by using active

methodologies specifically gamification and game based learning and teaching Covering a wide range of topics such as e safety bilingual education and multimodal mathematics this major reference work is ideal for policymakers researchers academicians practitioners scholars instructors and students *Influences of the IEA Civic and Citizenship Education Studies* Barbara Malak-Minkiewicz, Judith Torney-Purta, 2021-05-26 This open access book identifies the multiple ways that IEA's studies of civic and citizenship education have contributed to national and international educational discourse research policymaking and practice The IEA International Civic and Citizenship Education Study ICCS first conducted in 2009 was followed by a second cycle in 2016 The project was linked to the earlier IEA Civic Education Study CIVED 1999 2000 IEA's ICCS remains the only large scale international study dedicated to formal and informal civic and citizenship education in school It continues to make substantial contributions to understanding the nature of the acquired civic knowledge attitudes and participatory skills It also discusses in depth how a wide range of countries prepare their young people for citizenship in changing political social and economic circumstances The next cycle of ICCS is planned for 2022 In this book more than 20 national representatives and international scholars from Europe Latin America Asia and North America assess how the processes and findings of the 2009 and 2016 cycles of ICCS and CIVED 1999 2000 have been used to improve nations understanding of their students civic knowledge beliefs attitudes current civic related behaviors and intentions for future participation in a comparative context There are also chapters summarizing the secondary analysis of those studies results indicating their usefulness for educational improvement and reflecting on policy issues The analyses and reflections in this book provide timely insight into international educational discourse policy practice and research in an area of education that is becoming increasingly important for many societies *Social Studies for Young Children* Gayle Mindes, Mark
