Khasnabis, Preetha M., Merrin R. S., 2026-01-22 Neocolonialism in contemporary discourse has emerged as a compelling analytical lens to revisit and reassess power structures global hierarchies and cultural narratives in a postcolonial world This volume explores the intricate and often obscured mechanisms through which neocolonial influence operates economically politically culturally and intellectually redefining the contours of sovereignty and autonomy in the modern era Scholars across disciplines in the Humanities and Social Sciences have increasingly turned their attention to the praxis of identifying and critiquing the subtle continuities of colonial ideologies under the guise of development globalization and aid The interdisciplinary and multidisciplinary approaches employed in this volume challenge conventional perspectives and propose new interpretative frameworks for understanding neocolonial engagements in literature media policy and education

*Social-Imperialism in Britain* Neil Redfern, 2018-09-24 In *Social Imperialism in Britain* Neil Redfern examines the relationship between British labour and British capital in the two world wars of the twentieth century He argues that the Second World War the so called People s War no less than the First World War was an imperialist war He further argues that in both wars labour and capital entered into a social imperialist contract in which labour would be rewarded for its support for war with such social and political reforms as votes for women and a health service culminating in the welfare state constructed after the Second World War Concentrating on Lancashire he examines the complex interaction between military successes and reverses elite war aims labour unrest and popular demands for reform      The Organizer's Manual O.M.
