**The Harder You Work, the Luckier You Get** Joe Ricketts, 2019-11-05. Joe Ricketts, founder of TD Ameritrade, shares the epic inside story of how a working class kid from the Nebraska prairie took on Wall Street's clubby brokerage business, busted it open, and walked away a billionaire. Joe Ricketts always had the gift of seeing what others missed. The son of a house builder, he started life as a part-time janitor, but by the age of thirty-three, he saw the chance to challenge the big brokerage firms by offering Americans an inexpensive way to take control of their own stock trading. Nowadays, we take for granted that Main Street is playing right there on Wall Street, but Ricketts made that happen. His company, begun with 12,500 borrowed from friends and family, took off like a rocket thanks to an early embrace of digital technology and irreverent marketing. But Ameritrade also faced a series of near disasters, the SEC

almost shut him down his partners tried to force him out because of his relentless risk taking penny brokers swindled the company the crash of 1989 nearly cost him everything and he was almost shut down again when a customer committed massive fraud By the time of the dot com bust he had proven that his strategy based on frontier values could survive just about anything The Harder You Work The Luckier You Get offers a view inside Joe Ricketts mind giving readers a visceral understanding of how entrepreneurs think and act differently from the rest of us how they see the horizon where we just see a spreadsheet As unvarnished as the prairie he comes from Ricketts also talks honestly about his shortcomings as a manager the career sacrifices his wife made for his business the complexity of being a father and the pain of splitting with his mentor and of his brother s death from AIDS Overcoming these and other challenges he built a company now worth 30 billion A must read for anyone who s ever dreamed of starting their own business The Harder You Work The Luckier You Get is the ultimate only in America story *The Economist* ,2009
