An Amiable Charlatan E Phillips Oppenheim, 2021-03-31 Book Excerpt that we worked that little conjuring trick The detective stood once more at our table My instinctive dislike of him was now an accomplished thing I hated his smile of subdued triumph and all my fundamental ideas as to law and order were seriously affected by it I was distinctly on the side of my new acquaintance I am sorry to interrupt this little feast Mr Cullen said but I shall have to trouble you both to come with me for a short time Mr Parker carefully clipped the end of his cigar and leaned back in his chair while he lit it My friend Cullen he remonstrated I have no objection to offering myself up as a victim to your super abundant energy and trotting about with you wherever you choose but when it comes to dragging my friends into it I just want to say right here that I think you are carrying things a little too far just a little too far sir
