**Applied Linear Regression Models** John Neter, William Wasserman, Michael H. Kutner, 1989 Applied Linear Regression Models was listed in the newsletter of the Decision Sciences Institute as a classic in its field and a text that should be on every member's shelf. The third edition continues this tradition. It is a successful blend of theory and application. The authors have taken an applied approach and emphasize understanding concepts; this text demonstrates their approach through worked-out examples.
