## Acts Study Guide:

*Acts Study Guide (New)* Little Rock Scripture Study, 2006-07-17    *Acts Annual Bible Study* Judson Edwards, 2008-09

Studying Acts may make readers feel as though they are stepping into a different world a world of miracles a world where God is alive and moving and doing remarkable things How can that world intersect ours How can the old story of people speaking in tongues and raising the dead come alive in a world where no one speaks in tongues and the dead stay dead How can Acts be relevant to our lives and our church In Acts the people who believe in Jesus are filled with the Holy Spirit and set about the business of gathering a community They have to decide how wide their tent is going to be and whom they're going to embrace so they give themselves to the task of breaking down walls Jesus is not just for Jews they decide He's for everyone They launch out spreading the word Paul becomes the focal point of the story and he and his friends move about the ancient world telling all kinds of people the good news about Jesus and his resurrection But there is opposition and Paul is imprisoned He is faithful even there though taking a stand before the government authorities By the time the drama of Acts ends Paul might be confined but his message most assuredly is not The gospel has been unleashed throughout that entire part of the world Gathering a community Breaking down walls Spreading the word Taking a stand These four phrases organize this study of Acts and guide readers through a world alive with God and God's mighty deeds And all of us who have drunk too deeply at the wells of reason and rationality will once again pause to wonder and stand rapt in awe    **Acts** Brian Simmons, 2016-07-26

supports the messages of the others Through this the student will learn to see that God has provided us a consistent narrative of His love Through insightful questions the student will develop an understanding of the theological challenges faced by the early church and the efforts of the apostles and other disciples to bridge these gaps in order to maintain unity of spirit At the same time it prompts the student to reflect on their own challenges to the faith with questions designed to transform these issues into engaging discussions within a small group setting     **Acts** Curtis Vaughan,1974     **Acts Study**

MacArthur,2000-10-12

These study guides part of a 16 volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface focusing on meaning and context and then reflecting on the explored passage or concept With probing questions that guide the reader toward application as well as ample space for journaling The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages     **The Acts of the Apostles** Shelly Matthews,2020 The book of Acts opens with the dramatic story of tongues of flame descending upon believers at Pentecost and the prophecy of an egalitarian dispensation of the Spirit being fulfilled Yet as the narrative unfolds we become aware of a

tension between the socially egalitarian promise of the Pentecost story and the author's underlying concern to provide reassurance for his elite patron Theophilus that Jesus followers do not disturb the existing social order. In this guide Acts is read as a struggle to tame the tongues of fire. Acts mutes the egalitarian promise of the Spirit through presenting an orderly account as its author calls it of the Jesus movement that appeals to elite sensibilities. And at the same time the narrative contains contradictions, gaps and fissures that suggest the outlines of a more complex and even subversive religious movement.
