

The Hierarchy of Standards, and Form (page 11.1)

1.1.1 Further Reading: The Hierarchy

Reading Sheet

Below is a table of the hierarchy of standards which apply to the design of a building. It is divided into three main sections: the design of the building, the design of the building's structure, and the design of the building's services. The table is divided into three main sections: the design of the building, the design of the building's structure, and the design of the building's services. The table is divided into three main sections: the design of the building, the design of the building's structure, and the design of the building's services.
