

Board #1

Subtracting Fractions Tic-Tac-Toe

Directions:

Use Card Set B.

Decide which player will be "X".

Board #1

Adding Fractions Tic-Tac-Toe

Directions:

Use Card Set A.

Decide which player will be "X" and which player will be "O".

Take turns with each player choosing a problem to solve. Find the answer on a card and mark the space. The first player to make 3 in a row vertically, horizontally or diagonally, is the winner.

Adding And Subtracting Fractions Tic Tac Toe

Patrick Vollmar

Adding And Subtracting Fractions Tic Tac Toe:

Fabulous Fractions Lynette Long, 2001-05-28 Don't Just Learn Fractions Master Them Brimming with fun and educational games and activities the Magical Math series provides everything you need to know to become a master of mathematics In each of these books Lynette Long uses her own unique style to help you truly understand mathematical concepts as you play with everyday objects such as playing cards dice coins and paper and pencil Inside Fabulous Fractions you'll find out all about fractions from what they look like to how to write them to the relationship between fractions and decimals and more While playing exciting games like Super Domino ESP and Reduce It you'll learn about proper fractions and how to reduce them And with games like Combination Pizza Fraction Jeopardy and three in a Row Bingo you'll learn to add subtract multiply and divide fractions while you have fun So why wait Jump right in and find out how easy it is to become a mathematics master

Differentiating Instruction with Menus Laurie E. Westphal, 2007 Differentiating Instruction With Menus offers teachers everything they need to create a student centered learning environment based on choice Addressing the four main subject areas language arts math science and social studies and the major concepts taught within these areas these books provide a number of different types of menus that elementary aged students can use to select exciting products that they will develop so teachers can assess what has been learned instead of using a traditional worksheet format Each book contains attractive reproducible menus each based on the levels of Bloom's revised taxonomy for students to use to guide them in making decisions as to which products they will develop after studying a major concept or unit Using creative and challenging choices found in Tic Tac Toe Menus List Menus 2 5 8 Menus Baseball Menus and Game Show Menus students will look forward to sharing their newfound knowledge throughout the year Also included are specific guidelines for products rubrics for assessing student products and teacher introduction pages for each menu This book includes menus that teach students about whole numbers and operations fractions probability and statistics geometry measurement and problem solving

Bringing Math Home Suzanne L. Churchman, 2006-05-31 This ultimate parents guide to elementary school math features projects games and activities children and parents can do together to increase their understanding of basic math concepts Fun activities such as mapping a child's bedroom for practice in measurements or keeping a diary of numeric items like vacation mileage and expenses reinforce the math skills outlined in each lesson Using the standards issued by the National Council of Teachers of Mathematics as a foundation this book covers both content and process standards for areas such as algebra geometry measurement problem solving and reasoning proofs It also includes a glossary of math terms and dozens of suggestions for additional children's reading to further math understanding
