

## **"Remedy"**

I remember all of the things that I thought I wanted to be  
So desperate to find a way out of my world and finally  
breath

Right before my eyes I saw, my heart it came to life  
This ain't easy it's not meant to be  
Every story has it's scars

When the pain cuts you deep  
When the night keeps you from sleeping  
Just look and you will see  
That I will be your remedy  
When the world seems so cruel  
And your heart makes you feel like a fool  
I promise you will see  
That I will be, I will be your remedy

No river is too wide or too deep for me to swim to you  
Come whenever I'll be the shelter that won't let the rain  
come through  
Your love, it is my truth  
And I will always love you  
Love you

When the pain cuts you deep  
When the night keeps you from sleeping  
Just look and you will see  
That I will be your remedy  
When the world seems so cruel  
And your heart makes you feel like a fool  
I promise you will see  
That I will be, I will be your remedy

When the pain cuts you deep  
When the night keeps you from sleeping  
Just look and you will see  
I will be, I will be  
When the world seems so cruel  
And your heart makes you feel like a fool  
I promise you will see  
That I will be, I will be, I will be...  
Your Remedy

**You Shook Me All Campaign Long** Eric T.

Kasper, Benjamin S. Schoening, 2018-11-15 Music has long played a role in American presidential campaigns as a mode of both expressing candidates messages and criticizing the opposition The relevance of music in the 2016 campaign for the White House took various forms in a range of American media a significant amount of popular music was used by campaigns many artist endorsements were sought by candidates ever changing songs were employed at rallies instances of musicians threatening legal action against candidates burgeoned and artists and others increasingly used music as a form of political protest before and after Election Day The 2016 campaign was a game changer similar to the development of music in the 1840 campaign when Tippecanoe and Tyler Too helped sing William Harrison into the White House The ten chapters in this collection place music use in 2016 in historical perspective before examining musical messaging strategy and parody The book ultimately explores causality how do music and musicians affect presidential elections and how do politicians and campaigns affect music and musicians The authors explain this interaction from various perspectives with methodological approaches from several fields including political science legal studies musicology cultural studies rhetorical studies and communications and journalism These chapters will help the reader understand music in the 2016 election to realize how music will be relevant in 2020 and beyond
