## AP Human Geography

The collage illustrates the global and national scope of agriculture. The top image shows a world map with agricultural data, the middle image is a map of the United States color-coded by agricultural region, and the bottom image is a table comparing Subsistence and Commercial agriculture across various dimensions.

	Subsistence	Commercial
Definition	Production for mostly for family/community	Production aimed for sale/market and the community
Location	Central America, Asia, Africa	North America
Agricultural Intensity (of land required for same output)	High yield in terms of production and much less in consumption	Low intensity terms of labor force and no agriculture. The intensity is much higher
Size of population	With increasing family size with simple family and household structure	Highly concentrated population with complex and large families for management and maintenance
Power base	Family or household power, limited among relatives	Family and community power, the family, norms and thoughts used for large corporations
Relationships with other agriculture	Many forms	Associated with agriculture other agriculture including high volume food production, marketing, distribution, and retail
