## **100 Tough Questions For God:**

*The 100 Most Asked Questions about God and the Bible* S. Michael Houdmann, 2024-04-09 What questions do you have about God and the Bible Sometimes the truth can be hard to find We live in an age where it only takes a few seconds to look up anything we want to know But how reliable are the answers we get For more than two decades S Michael Houdmann and GotQuestions.org have cut through the confusion answering even the hardest of questions with clarity grace and love GotQuestions.org is the most trusted biblically grounded resource online This book answers one hundred of the most frequently asked questions on the site in a compassionate accessible and straightforward manner including questions like Is Jesus God Who is the Holy Spirit What is salvation What happens after death How why and when did Satan fall from heaven What signs indicate that the end times are approaching What does the Bible say about divorce and remarriage People have big questions about God and the Bible and the answers have real world consequences Here is the biblical truth we all need to better understand God ourselves and the world we live in

**100 Tough Questions about God and the Bible** Stephen M. Miller, 2014-04-15 Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let's be honest the Bible can be hard to understand It's full of weird laws apparent inconsistencies and tales of a God who often doesn't do what we expect You may have asked about some of these things and been brushed off or given trite unconvincing answers But serious questions deserve thoughtful responses especially when opinions of Bible experts clash Stephen M. Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions He does so with a touch of humor and no preaching allowing you to draw your own conclusions Questions include Would a loving God really put a good man like Job through horrible suffering just to test his loyalty If God knows everything why did he test Abraham's faith by asking him to sacrifice his own son How could there be just one God yet three Since Jesus told people to turn the other cheek why aren't more Christians pacifists

**100 Tough Questions for God (If You Dare to Know the Answers!)** Daryl Gramling, 2010-11 100 Tough Questions for God invites readers down a path of spiritual discovery guided by practical questions that shed light on issues that matter most Our omniscient God delights to give us answers if only we dare to ask the questions

Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to

confront knotty questions but willingly accept God's unravelling answers     *God's heroes, sermons* Harry John Wilmot-Buxton,1890     **Is Your Church Ready?** Zondervan,2010-08-03 A ministry resource for motivating all Christians to become thoughtful apologists of their faith Although apologetics is as crucial today as it has ever been the classical model for defending the faith often seems irrelevant to the 21st century where people listen with their eyes and think with their emotions Is Your Church Ready Presents a team of highly qualified Christian thinkers including Ravi Zacharias John Guest Jay Budziszewski Judy Salisbury Dean Halverson and Peter Grant who build a case for the place of apologetics in the local church home and school Using personal examples and illustrations they address How to answer objections to Christianity How to equip children in the home and prepare youth to remain committed to Christ after they leave for college How to reach international students and the foreign born Included are discussion questions and a Church Leaders Resource Guide to the best books articles organizations and websites on the subject     **Has Christianity Failed You?** Ravi Zacharias,2010-07-06 In 2006 Ravi Zacharias International Ministries RZIM held an open forum at the Fox Theater in Atlanta to address the subject Has Christianity Failed You Tickets were sold for the event and to the complete surprise of everyone the event was sold out with a capacity crowd of over 5 000 People lined up offering to buy tickets from folks in line for higher prices Before the event an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time One answered that because of a Christian's rejection of his gay lifestyle he had done just that Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church Others had their own reasons Some said it was just intellectually untenable in an age of reason They chose to come to the event to judge if there were adequate answers It is estimated that for every one person who writes a letter or attends an event there are one thousand who agree If the Atlanta crowd was any indication the question is real and troubling Why is it that many live with silent doubt many leaving the evangelical fold for something else Is there something wrong with the message the communicator the hearer or is it all three It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing In fact the son of a prominent US Senator phoned me with that very question Why has God made it so hard to believe in Him Such skepticism is not just representative of the hostile it also represents many honest questioners This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so More to the point Why is it actually so hard to deny God and still make sense out of life In the end the answers should be both felt and real with the added truth that God is nearer than you think He desires that we sense Him very near to us and not distant But closeness comes at a cost just as any relationship of love and commitment does     **The Bible's Answers to 100 of Life's Biggest Questions** Norman L.
