when good food should be central few really local specialities exist in our rather monochrome Westernised gastronomy Gladly Spain mostly avoided this industrialisation of food so that most people remain avidly interested in and proud of their own food products and their regional dishes This attitude probably explains the huge number of Michelin stars in the country Spain is a treasure trove of food diversity with centuries of cultural influences from Romans Arabs Jews and Christians contributing to many of the dishes still served today Spain is blessed with a pride and love of its own traditional recipes combined with a range and variety of ingredients that many a chef outside of Spain can only dream about Christmas is a special time in Spain and there are few people in the world as capable of making Christmas into a truly special occasion The Spanish have a love and understanding of good food Taken together with their ability to enjoy a good party Christmas in Spain is truly a culinary delight Here we present you with just some of the multitude of traditional Spanish Christmas Recipes Enjoy them and Feliz Navidad **100 Christmas Recipes** Michael Goodman, 2016-11-24 The main aim of my book was to create a universal multinational cookbook for Christmas Of course you can use these recipes for any other holiday not just for Christmas For several years I have been collecting recipes around the world to share them in this special edition I urge you unite with your family at the kitchen table and spend time together in a friendly atmosphere KINDLE UNLIMITED AMAZON PRIME members can read this book for FREE Easy Simple Step by Step Recipes Simple easy directions and ingredients Dishes of classic cuisine from around the world Vegetarian dishes Spend time with your family Sweet dishes Raw cakes without baking gluten and sugar free Scroll up and click Buy Now to start making delicious Christmas treats today
