Strength Resides Within Determination

Determination is vital when facing challenges without the spark of purpose and absoluteness provided by determination, one will fail to accomplish their desired task. At times in life, the load put on an individual seems unmanageable, how can one maintain a strong grasp on their objective even while dealing with numerous complications? In the feature-length film *Whale Rider* by Niki Caro, the protagonist, Pai applies determination to motivate herself to defy odds and become the first female chief of the Maori tribe. In the Maori culture, only first-born male descendants of their ancient ancestor, Paikaea, are able to acquire the renowned position of chief, however, Pai is determined to defy her grandfather's traditional procedures in order to fulfill her destiny of becoming the chief of her tribe. Despite numerous obstacles, such as traditional barriers, gender discrimination, and lacking familial support, Pai displays great resiliency in her quest to become chief of her tribe.

Pai faces various hurdles along the path to become chief; she has to overcome many traditional barriers in order to convince her community that she is the true chosen descendant.

[The following text is extremely blurry and illegible. It appears to be a continuation of the analysis, discussing Pai's journey and the cultural context of the film.]
