Exposition of the Apostles' Creed James Dodds, 2022-09-16 In *Exposition of the Apostles Creed* James Dodds offers a thorough theological analysis of this foundational Christian declaration. The book employs a scholarly yet accessible literary style seamlessly intertwining doctrinal examination with historical context. Dodds meticulously unpacks each line of the Creed, elucidating its significance in articulating core Christian beliefs. Through a careful blend of exegesis and pastoral insight, Dodds highlights the Creed's role in both personal faith and communal worship, making it a valuable resource for theologians and laypersons alike in understanding the historical roots and contemporary implications of this seminal statement of faith. James Dodds, a theologian and historian with deep roots in doctrinal teaching, brings his extensive background to bear in this work. His own spiritual journey and experiences in both ministry and academia inform his reflections on the Creed, allowing him to approach complex theological concepts with clarity and conviction. The true teaching of the Word of God is gathered from careful and continuous searching of the Scriptures, and there is danger of fatal error when conclusions are drawn from isolated passages interpreted in accordance with preconceived opinions. It has been found not only expedient but needful that the Christian Churches should set forth in creeds and confessions the doctrines which they believe the Scriptures affirm. They are bound not only to accept Scripture as the rule of faith but to make known the sense in which they understand it. As unlearned and unstable men wrest and subvert the Sacred Writings, it is fitting that those who are learned and not unstable should publish sound expositions of their
