Interests Ideas And Deregulation The Fate Of Hospital Rate Setting:

Interests, Ideas, and Deregulation John E. McDonough, 1997 Studies the politics of rate setting as a mechanism for cost containment in health care

Hospital City, Health Care Nation Guian A. McKee, 2023-03-07 Hospital City Health Care Nation recasts the story of the U S health care system by emphasizing its economic social and medical importance in American communities Focusing on urban hospitals and academic medical centers the book argues that the country s high level of health care spending has allowed such institutions to become vital if often problematic economic anchors for communities Yet that spending has also constrained possibilities for comprehensive health care reform over many decades even after the passage of the Affordable Care Act in 2010 At the same time the role of hospitals in urban renewal in community health provision and as employers of low wage workers has contributed directly to racial health disparities Guian A McKee explores these issues through a detailed historical case study of Baltimore s Johns Hopkins Hospital while also tracing their connections across governmental scales local state and federal He shows that health care spending and its consequences rather than insurance coverage alone are core issues in the decades long struggle over the American health care system In particular Hospital City Health Care Nation points to the increased role of financial capital after the 1960s in shaping not only hospital growth but also the underlying character of these vital institutions The book shows how hospitals quest for capital has interacted with structural racism and inequality to shape and constrain the U S health care system Building on this reassessment of the hospital system its politics and its financing Hospital City Health Care Nation offers ideas for the next steps in health care reform

Business History of Hospitals in the 20th Century Paloma Fernández Pérez, 2024-06-14 This book offers a business history of modern hospitals in the 20th century Presenting case studies from around the world it examines the long term institutional and historical evolution of hospital organization and management models applying a business history approach to do so Drawing on reports from international organizations and other historical data it explores the evolution path dependencies actors and institutions that have shaped the diversity of hospital organization and management models At the same time it analyzes the historical origins of major problems faced by today s hospitals such as cost inefficiencies lack of specialized human capital etc The contributing authors cover topics such as the history of hospital finance and accounting hospital price regulation entrepreneurship models hospital privatization and hospital governance The book will appeal to scholars and students of economic and business history and to anyone interested in the history of hospitals

The Corporate Practice of Medicine James C. Robinson, 1999-11-01 One of the country s leading health economists presents a provocative analysis of the transformation of American medicine from a system of professional dominance to an industry under corporate control James Robinson examines the economic and political forces that have eroded the traditional medical system of solo practice and fee for service insurance hindered governmental regulation and invited the market competition and organizational innovations that now are under way The trend toward health care

corporatization is irreversible he says and it parallels analogous trends toward privatization in the world economy The physician is the key figure in health care and how physicians are organized is central to the health care system says Robinson He focuses on four forms of physician organization to illustrate how external pressures have led to health care innovations multispecialty medical groups Independent Practice Associations IPAs physician practice management firms and physician hospital organizations These physician organizations have evolved in the past two decades by adopting from the larger corporate sector similar forms of ownership governance finance compensation and marketing In applying economic principles to the maelstrom of health care Robinson highlights the similarities between competition and consolidation in medicine and in other sectors of the economy He points to hidden costs in fee for service medicine overtreatment rampant inflation uncritical professional dominance regarding treatment decisions factors often overlooked when newer organizational models are criticized Not everyone will share Robinson's appreciation for market competition and corporate organization in American health care but he challenges those who would return to the inefficient and inequitable era of medicine from which we've just emerged Forcefully written and thoroughly documented *The Corporate Practice of Medicine* presents a thoughtful and optimistic view of a future health care system one in which physician entrepreneurship is a dynamic component

Experiencing Politics John E. McDonough, 2000-11-22 John E. McDonough affords a rare glimpse into the practice of state politics in this insider's account of the fascinating interface between political science and real life politics A member of the Massachusetts House of Representatives for thirteen years and a skilled storyteller McDonough eloquently weaves together stories of politics and policy with engaging theoretical models in a way that illuminates both the theory and the practice By providing a link between scholarship and the world of experience he communicates much about the essence of representative democracy In the process he demonstrates how politics extend beyond the public sphere into many aspects of life involving diverse values and interests McDonough describes the nature of conflict the role of interests agenda setting the nature and pace of change the use of language and more Accessible insightful and original his stories touch on a broad range of issues including health care politics campaigns and elections a street gang called the X men the death penalty campaign finance reform and tenants versus landlords To the author politics is everywhere and political dynamics are universal While the setting for this book is one legislature the lessons and insights are intended for everyone

The New Politics of State Health Policy Robert B. Hackey, David A. Rochefort, 2001 State governments in the past decade have had to take on the problem of health care with mixed results This collection of 11 essays of which two are an introduction and conclusion by academics and policy makers consider the many issues that concern health care in the US and their effects at the state level including managed care health insurance expansion mental health care public health administration and bureaucratic reactions to health policy Hackey teaches health policy and management at Providence College in Rhode Island Rochefort teaches political science and public administration at Northeastern U in Boston c Book

Interests Ideas And Deregulation The Fate Of Hospital Rate Setting Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Interests Ideas And Deregulation The Fate Of Hospital Rate Setting PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Interests Ideas And Deregulation The Fate Of Hospital Rate Setting PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Interests Ideas And Deregulation The Fate Of Hospital Rate Setting free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Interests Ideas And Deregulation The Fate Of Hospital Rate Setting Books
