Featuring a classic drop-side profile that provides exceptional ground clearance, rugged Power King Tractors are built for the hard work they do. Yet, an uncomplicated design and automotive components make servicing easy. They're Big. They're Powerful. Best of all, they're priced to compete with smaller tractors of other makes.

... Tops in Workpower

Easy and fun to run, Power King tractors offer a choice of 3 or 4 speed transmissions in a rugged all-gear drive system, light touch steering and individual rear wheel brakes. Wide open operator room makes mounting the tractor easy while the comfortable, high-backed seat and convenient controls provide continuous driver ease and work area visibility.

These tractors are built tough . . . for strength and durability in heavy work, like plowing, tilling, cultivating and snowblowing. Yet, they are gentle enough to maintain the finest suburban lawn or country estate. Custom components assembled by skilled craftsmen assure you of maximum workpower per horsepower and many years of trouble free operation.
