sources in Georgia and especially the Georgia Department of Archives and History Mr Davis has painstakingly surveyed the records and their locations and compiled a book that is a watershed for Georgia historians and genealogists It is written as a guide leading him or her step by step to the records many of which are unknown to even the most experienced researcher due to long years of neglect The inclusion of an outline to the county material on microfilm can help many a traveler to realize that a trip to the archives is more useful than one to the county courthouse I can think of no better book with which people can use as a beginning tool for research in Georgia Ken Thomas Genealogy The Atlanta Constitution
