1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific information required.

From the following, select the one that is the best example of a

There are a number of important points that need to be made about the use of the term "social capital" in the literature. First, the term is used in a variety of ways, and it is important to be clear about what is meant by it. Second, the term is often used to describe a specific set of relationships or a specific set of institutions, but it is important to be clear about what is meant by it. Third, the term is often used to describe a specific set of relationships or a specific set of institutions, but it is important to be clear about what is meant by it.
