Figure 24. Model of a vintage race car. The car is a single-seater, open-wheel vehicle with a prominent front grille and large spoked wheels. It is shown from a front-three-quarter view, highlighting its low profile and aerodynamic features. The car is parked on a flat surface, and the background is a plain, light-colored wall.

Figure 25. Model of a vintage race car.

Figure 25. Model of a vintage race car. This image shows a side profile of a similar vintage open-wheel race car. The car is positioned on what appears to be a race track, with a blurred background that suggests it might be in motion or part of a race. The car's design is consistent with the one in Figure 24, featuring a low chassis, large wheels, and a streamlined body.
