12 page appendix to the transmission section from the December 1957 edition was omitted This same part number 637 was reprinted by the factory in September 1961 1000 copies Finally in November 1962 Alfa issued 2000 copies of a 15 page booklet Enclosure to the Shop Manual Technical Characteristics Part No 854 This booklet expanded the technical data for the 1300cc models that was previously included in Technical Specifications section of both the ring bound and softbound workshop manuals However in 1962 the Giulietta sport models Sprint Sprint Special and Spider were fitted with the new 1600cc engine and the Giulietta Series 101 name was dropped but they continued to be sold under the Giulia name as 101 Series vehicles until they were replaced by the all new 105 Series Giulia based models in 1965 Consequently for the sake of completeness the 20 page October 1963 Technical Characteristics booklet Part No 955 1000 copies for the 1600cc Giulia Ti Spider Sprint and the 7 page October 1964 Technical Characteristics for the Giulia Spider Veloce should be a required addition to this list of manuals for the 750 and 101 Series models     The Alfa Romeo DOHC Engine High-Performance Manual Jim Kartalamakis,2013-04-10 Ten years have passed since the original edition of this book was published but Alfa Romeo enthusiasts everywhere are still active today more than ever in preserving modifying and racing these excellent cars Throughout this time the author in true Alfista fashion never stopped looking for and trying new techniques to increase the power overall performance and reliability of Alfas and their engines This book is the result of much research also first hand experience gained through many Alfa rwd model projects from the 105 series to the last of the 75 models There is a lot of completely new information here regarding TwinSpark Cylinder head mods big brake mods LSD adjustment procedure electrical system improvements plus many flow bench diagrams dyno plots and much more     *Alfa Romeo Owners Workshop Manual* Peter G.
