- (10) Identify someone who would give the team the strongest feedback, such as a customer.
- (11) If the team does not share any representative work, the manager should assign a representative work effort to each team member. This is also an opportunity to assign each team member work in a different role.
- (12) **Step 3: Self-Organizing the Team** The manager is providing team input from within the general idea of the team's mission. The overall team goal is fixed, with the team's mission being set primarily along a few critical, low-leverage leverage points.
- (13) **Where the Team Works** The manager is providing a strong sense of direction and a set of goals.
- (14) **Check the readiness of the team members and team, if necessary.**
