not only be part of the state but also the nation of Serbia Background of this policy was the alleged common language culture and religion of the people living in Serbia and in the new territory In this paper I will focus on the question of religion which has to be seen in a close context to the ideas of nationalism and ethnicity in this region Belonging to the Serbian nation meant belonging to the Serbian Orthodox Church Since I will use diplomatic primary sources my research question will be How did the idea of a common religion determine the policy of Serbianisation of Vardar Macedonia in the eyes of foreign diplomats **The Parliamentary Debates** Great Britain.
