H.W. Wilson Company, 1944 *Federal Supplement*, 1981 *Power Transmission Design*, 1980 North Carolina Education, 1934 **A History of the County of Northampton** William Ryland Dent Adkins, Mark Page, Matthew Bristow, 2013 Comprehensive and authoritative history of Corby and Great Oakley charting their growth and development from the early medieval period to the present day. Lying in north Northamptonshire close to the borders with Leicestershire and Rutland the neighbouring parishes of Corby and Great Oakley were formerly part of the ancient administrative division of Corby hundred. Both remained agricultural villages typical of much of rural Northamptonshire before 1932 when the landscape of the area was dramatically altered by large scale industrialisation associated with the production of iron and steel following the discovery of rich ironstone deposits to the north and east of Corby village. Corby was most directly affected by these changes with the parish experiencing a dramatic rise in population after the Second World War. It shows how generations of inhabitants utilised the rich natural geology and the abundant woodland to supplement the local agrarian economy before examining in detail Corby's industrialisation physical and economic growth post industrial decline and 21st century regeneration. Mark Page is Assistant Editor Victoria County History Oxfordshire Matthew Bristow is Research Manager Victoria County History **New Internationalist**, 2000
