*In the Eye of the Storm* Max Lucado, 2012-08-27 One day in the life of Christ Call it a tapestry of turmoil A noisy pictorial in which the golden threads of triumph knot against the black frazzled strings of tragedy Call it a symphony of emotions A sunrise to sunset orchestration of extremes One score is brassy with exuberance the next moans with sorrow Whatever you call it call it real Author Max Lucado calls it the second most stressful day in the life of our Savior Before the morning becomes evening Jesus has reason to weep then run then shout the curse then praise then doubt Within a matter of moments his world is turned upside down Sound familiar The pink slip comes The doctor calls The divorce papers arrive The check bounces The life that had been calm is now chaotic The world that had been serene is now stormy Assailed by doubts Pummeled by demands If you've ever wondered if God in heaven can relate to you on earth then read and re read this pressure packed day in the life of Christ It is the only day aside from the crucifixion that all four gospels recorded Lucado has interwoven their accounts in such a way that you will be assured that God knows how you feel And you will be assured that within every torrent there is a calm center a place you can stand when your world gets windy The Eye of the Storm

[A Biblical Study Guide for Equal Pulpits](#) Young Lee Hertig, 2022-03-24 The transformation of patriarchal church culture begins with gender equality in the pulpit For too long the Christian pulpit has been monopolized by men This pattern is especially pronounced in evangelical Asian American and Latinx congregations where women's voices are marginalized and male dominance is reinforced in the church as well as the family The consequences are enormous oRobbing the church of the fullness of the gospel oSilencing the voices of women preachers oMasculinizing Christianity oLosing younger generations of women leaders oModeling structural power inequality oIncreasing violence against women Making academic hermeneutical work accessible for the pulpit A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts Among the perspectives investigated Kay Higuera Smith's Two Mothers Two Promises takes a perspective shifting look at Sarah and Hagar Eunhy P Lee's Valorous and Wise Women Who Build Up the House of God depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang's Listening for Your Voice Let Me Hear It The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice

**Copyright Entries. Third Series** Library of Congress. Copyright Office, 1971      **The Carter Presidency** Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter's performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter's public spirited post presidential career has made him one of America's greatest ex presidents Grounded on research conducted at the Carter Library *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America      *Curriculum Guide for Educable Mentally Retarded Classes Levels I, II, III.* El Paso, Texas, Board of Education, 1962      **G.K.
