

11. *What is the primary purpose of the following statement?*

- no separate administrative agencies, instead function
depending directly on the president;
- no longer a separate state or institution, just administrative units
within the same country, which are not separate entities;
- administrative units are not only local, but also national, international;

The importance of the mean is that it is the most common measure of central tendency, often being given the name 'average' and making comparisons that are meaningful to most people. However, there are other measures of central tendency.

Teaching Global History Alan J. Singer,2012-04-27 Teaching Global History challenges prospective and beginning social studies teachers to formulate their own views about what is important to know in global history and why It explains how to organize the curriculum around broad social studies concepts and themes and student questions about humanity history and the contemporary world All chapters include lesson ideas a sample lesson plan with activity sheets primary source documents and helpful charts graphs photographs and maps High school students responses are woven in throughout Additional material corresponding to each chapter is posted online at http://people.hofstra.edu/alan_j_singer The traditional curriculum tends to highlight the Western heritage and to race through epochs and regions leaving little time for an in depth exploration of concepts and historical themes for the evaluation of primary and secondary sources and for students to draw their own historical conclusions Offering an alternative to such pre packaged textbook outlines and materials this text is a powerful resource for promoting thoughtful reflection and debate about what the global history curriculum should be and
