*Triumph over Tragedy* Jay Fox, 2013-07-03 Triumph over Tragedy by Jay Fox, a popular entertainer known both in his home Bermuda as well as in the USA and internationally, is the personal story of his journey from a beginning as a mixed blood child of a single mother of limited means in a prejudicial and insular society to a highly popular singer-songwriter performer and respected hotel manager. How he handled this challenging double life and how it affected his growing need for meaning in his life leads to a stormy personal situation and his relocation to Crossville, a small town in Tennessee. When all was going well personally with a family and a horse training ranch and professionally with a busy schedule of performances and an enthusiastic following of loyal fans, tragedy struck when a wasp sting turned into an infectious disease diagnosed as group A streptococcal toxic shock syndrome which cost him his leg and threatened his very life. His faith in God and the support of his family, friends and fans have led him to a future he could never have anticipated.    **Field & Stream**, 1973-12 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations.
