

AP* World History Study Guide and Graphic Organizers –

Unit 5: The Modern World, 1914 CE – present

1. World War I

Students are required to know the causes, major events, and consequences of WWI

Causes	Events	Consequences

Why you should know this: You will be asked specific questions about the causes and consequences of WWI. You may also be asked to compare aspects of WWI with other wars, either with those that came before or with those that came after WWI.

Example: Using the following documents, compare the nature of the postwar world envisioned by the victorious nations after WWI and WWII.

To answer this question thoroughly, you would need to have an understanding of the causes of world conflict and how the leaders of the nations involved attempted to resolve (successfully or unsuccessfully) the conflict at the close of war. You would need to be familiar with peace settlements as well as negotiations along the way to achieving peace.

2. The Great Depression

The Great Depression had a global impact, so AP students are expected to know how the Great Depression happened, its worldwide effects, and attempts at recovery from the economic decline.

Causes	Worldwide Effects	Responses

Why you should know this: The Great Depression had a huge impact on the world's economy and had significant consequences in terms of how each nation responded to the suffering brought about by the Depression.

Example:

1. Which of the following was true of the Great Depression?
 - a. It was alleviated by the flow of US funds to Europe during the 1930's
 - b. Global agriculture saw underproduction and low prices during the 1920s and 1930s
 - c. It was unaffected by Allied war debts
 - d. It was caused by an underproduction of raw materials in European colonies
 - e. It was tied into the payment of war reparations

You would have to be aware of the causes of the Great Depression, beyond just the stock market crash in the US, to identify the correct answer, (E).

3. World War II

As with WWI, AP* students are required to know the causes, major events, peace settlements, and significance of WWII.

Causes	Major Events	Peace Settlements	Significance/Consequences

Why you should know this: You will be asked questions about the causes, events, and consequences of WWII. You will also be asked to compare WWI and WWII.

- Example:**
1. The nation that rose in power during WWI but declined in power during WWII was
 - a. Great Britain
 - b. Japan
 - c. Russia
 - d. The Ottoman Empire
 - e. Austria

If you are able to successfully compare the characteristics about both wars, you will arrive at the correct answer, (B)
