*Leap* Bob Schmetterer,2003-03-10 Traditionally company leaders develop a business strategy based on bottom lines and profit margins then hire an ad agency to back up that strategy with creative advertising But history shows that some of the most effective branding campaigns are born when companies work with ad agencies to develop a business strategy that has a big creative idea at its heart what CEO of Euro RSCG Bob Schmetterer calls the Creative Business Idea In *Leap* Bob Schmetterer shows advertisers how to combine advertising creativity and bottom line realities to develop winning business strategies and winning ad campaigns He analyzes some of the most creative business ideas in history showing how successful advertising and marketing strategies do more than simply communicate the brand they define it Advertisers know how to create demand for an existing brand but Schmetterer argues that the next challenge for advertisers is to help their clients apply creative thinking to their core business strategy before they launch a branding blitz *Leap* is about connecting the left brain and the right brain to develop solid business strategies that are also creative fresh and exciting It s about mixing business s cold fixation on numbers with the warm heart of art and creativity to build revolutionary brands It s about connecting with and listening to the client understanding the business and the product tapping into the client s passion for the product and transmitting that passion to the consumer It s about what happens when the business makes creativity part of its core strategy enabling it to move beyond self imposed boundaries and expand the limits of its reach With a wealth of examples from Volvo to Purdue Schmetterer shows ad agencies and managers how to help their clients develop the big creative idea that will transform their businesses and perhaps their industries It s time for companies to make the Leap that synthesizes business and creativity to reap the full rewards of profitable innovation BOB SCHMETTERER is Chairman and CEO of Euro RSCG Worldwide a one of the world s top five global advertising and communications agencies with clients such as Intel Peugeot Air France Orange Abby National MCI Danone Group Reckitt Benckiser Volvo and Yahoo    **The Complete Small Truck Cost Guide** ,1998    *Autocar* ,2006    *2002 Cars* Consumer Guide,Consumer Guide Editors,2002-02 Profiles and reviews more than one hundred cars and compact vans offering discount price lists complete ratings and specifications and information on changes in the new model year    *The Car Book 2008* Jack Gillis,Amy Curran,David Iberkleid,Julia Redmon,2008    **Road and Track** ,1999-09    **Automobile** ,1997    **New Cars and Trucks 2002** David Van Sickle,1955 Thoroughly revised and updated for 2002 the guide that has helped thousands of car and truck buyers choose the right vehicle is now better than ever Includes full color photos plus easy to read comparison charts graphs and specifications    *Vanity Fair* ,1997    **Car and Driver** ,2004    *Traffic Safety* ,2000    *New Cars and Trucks, Winter 2001* The Editors at Edmunds.com,2001-12-09 Edmund s price and review guide for new and used cars trucks vans and sport utility vehicles
