Alex Ferguson My Autobiography:

ALEX FERGUSON: My Autobiography Alex Ferguson, 2013-10-24 The Million Copy Bestseller Sir Alex Ferguson's reflects on his remarkable managerial career where he embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. What readers are saying about Alex Ferguson's My Autobiography: The greatest manager of a generation. No matter the team you support this is a must read. Incredible I couldn't put it down. For over two decades Sir Alex Ferguson dominated the Premier League overseeing a sustained and unparalleled period of success with Manchester United. He was a visionary able to move with the times and build title winning teams both on and off the pitch. He was a man manager of phenomenal skill and increasingly he had to deal with global stars. His relationship with Cristiano Ronaldo for instance was excellent and David Beckham has described Sir Alex as a father figure. In his bestselling autobiography Sir Alex reflects on the highlights of his extraordinary career and reveals his remarkable story from his very early days in the tough shipyard areas of Govan to winning the Champions League in Moscow in 2008. Revised and updated this edition offers reflections on events at Manchester United since his retirement and offers fresh insights and details on his final years as United's manager. Fascinating Evening Standard His book is really a piece of oral history and his life is a conduit to a time when a working class man of talent could not by the magical alchemy of elite education or the stardust of celebrity but by a lifetime of hard work and hard thinking rise to the very top and flaws aside remain true to the best of the world he came from. Guardian
