*Religion and the Law in America [2 Volumes]* Scott A. Merriman, 2007-05-18 This work is a comprehensive survey of one of the oldest and hottest debates in American history the role of religion in the public discourse The relationship between church and state was contentious long before the framers of the Constitution undertook the bold experiment of separating the two sparking a debate that would rage for centuries What is the role of religion in government and vice versa Religion and the Law in America explores the many facets of this question from prayer in public schools to the addition of the phrase under God to the Pledge of Allegiance from government investigation of religious fringe groups to federal grants for faith based providers of social services In more than 250 A Z entries along with a series of broad thematic essays it examines the groups laws and court cases that have framed this ongoing debate Through its careful balanced exploration of the interaction between government and religion throughout the history of the United States the work provides all Americans students scholars and lay readers alike with a deep

understanding of one of the central enduring issues in our history 250 A Z entries analyze specific court cases or offer short topical surveys of specific areas Bibliographies follow each entry indicating direction for further investigation Thematic essays analyze such controversial topics as the establishment clause the teaching of creationism and evolution and the refusal of medical care A chronology traces the development of attitudes toward the issue and changes in the relationship between church and state

**The Ultimate Proof of Creation** Dr. Jason Lisle, 2009-06-01 It's a bold title The Ultimate Proof of Creation But is there such a thing There are many books that contain seemingly powerful arguments for biblical creation But is there an ultimate proof of creation There is an argument for creation that is powerful conclusive and has no true rebuttal As such it is an irrefutable argument an ultimate proof of the Christian worldview biblical creation Master the method outlined in the following chapters and you will be able to defend Christianity against all opposition Learn how to apply the ultimate proof in dialogues with evolutionists how to spot logical fallacies and biblical examples of defending the faith Discover the nature of scientific evidence and its proper role in the origins debate Details how to address theistic evolution day age creationism and other compromised positions of biblical creationism An exceptional book for pastors ministry leaders seminary attendees and students of religion and philosophy This book is a complete guide to defending the Christian faith emphasizing the defense of the Genesis account of creation built on techniques that have been developed over many years and presentations They are not difficult to apply when you learn how to do it properly Ready to move beyond the circular arguments It is time to get to the real heart of the issue and rationally resolve the origins debate It is time to discover The Ultimate Proof of Creation

**The Skeptical Inquirer**, 2002 *Evangelicals and Science* Michael Roberts, 2008-03-30 Most people when they think about the purported conflict between science and religion would most likely think first of evangelical Protestantism Because of the prominent place evolution versus creationism and such events as the Scopes Trial has had in the debates over science and religion many people think of evangelicals as hostile to science As with other volumes in the Greenwood Guides to Science and Religion series this work addresses the more complex interworkings between modern science and evangelical Christianity *Evangelicals and Science* provides a thorough overview of the history of the relationship between these two dominant forces in public life including chapters on evangelicals the Bible and science evangelicals and geology the rise of Creationism and evangelicals and modern science The volume includes primary source documents to give readers a flavor of the writings of evangelicals on science a timeline and an annotated bibliography From publisher's description
