Huber, Nancy Cutler, Melissa Bingmann, Tim Grove, 2017-08-09 *The Museum Educator's Manual* addresses the role museum educators play in today's museums from an experience-based perspective. Seasoned museum educators author each chapter, emphasizing key programs along with case studies that provide successful examples and demonstrate a practical foundation for the daily operations of a museum education department no matter how small. The book covers volunteer and docent management and training, exhibit development, program and event design, and implementation working with families, seniors, and teens, collaborating with schools and other institutions, and funding. This second edition interweaves technology into every aspect of the manual and includes two entirely new chapters: one on Museums: An Educational Resource for Schools and another on Active Learning in Museums. With invaluable checklists, schedules, organizational charts, program examples, and other how-to documents included throughout, *The Museum Educator's Manual* is a must-have book for any museum educator.
