Intermediate Accounting, Volume 2 Update Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2005-12-02 This bestseller has powered the careers of countless professionals. This update to the 11th edition builds on the book's reputation for comprehensiveness, accuracy, and currency, incorporating all the recent changes to the accounting literature. It integrates numerous examples from real corporations throughout the chapters to help readers understand the application of accounting principles and techniques in practice. They'll also find problems that are modeled on the AICPA Simulations, a new question format designed for the computerized uniform CPA Exam. These problems prepare readers for the exam, testing their ability to read, digest, research, and respond to both a numeric problem and a short answer essay. This edition does NOT include the Problem Solving Survival Guide.

Intermediate Accounting, Volume 1 Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, Irene M. Wiecek, Bruce J. McConomy, 2021-11-15 Intermediate Accounting 13th Canadian Edition has always been and continues to be the gold standard that helps connect students to the what, the why, and the how of accounting information. Through new edition updates, you will be able to spark efficient and effective learning and inspire and prepare students to be the accounting professionals of tomorrow. To help develop a deeper understanding of course concepts and move beyond basic understanding, students work through a high quality assessment at varying levels, helping them learn more efficiently and create connections between topics and real world application. This course also presents an emphasis on decision making through Integrated Cases and Research and Analysis questions that allow students to analyze business transactions, apply both IFRS and ASPE, and explore how different accounting standards impact real companies. Throughout the course, students also work through a variety of hands on activities including Data Analytics Problems, Analytics in Action features, Excel templates, and a new emphasis on sustainability all within the chapter context. These applications help students develop an accounting decision making mindset and improve the professional judgement and communication skills needed to be successful in the evolving accounting world.
