ECEL 2020 19th European Conference on e-Learning Prof. Dr.-Ing. The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages. The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully. The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience. *The Statesman's Yearbook 2024* Palgrave Macmillan, 2024-01-03 Now in its 160th edition *The Statesman's Yearbook* continues to be the reference work of choice for accurate and reliable information on every country in the world.
