EOG VOCABULARY HOMEWORK

Week 3

Students will begin reviewing terms they will see most often when testing. We have discussed these words throughout the year so this is an opportunity to refresh student understanding of what each of the words mean.

DIRECTIONS:

Students will be asked to define 10 pre-assigned EOG vocabulary words each week. Then they will write each word in a sentence. Students will complete this on the attached sheet of notebook paper and turn it in on Friday. Below is an example of what should be written for each word.

EXAMPLE:

DEFINITION OF WORD:

I fiction – (noun) something told or written that is not fact;
a made-up story

SENTENCE WITH WORD:

Most stories about famous outlaws of the old west are fiction novels that have little or nothing to do with fact.

On Friday's students will be given a short quiz to demonstrate their knowledge of the 10 vocabulary words studied during the week. On the quiz the teacher will give students the definition for each word studied and they will be asked to write down the correct vocabulary word.

Here are your words for this week:

drama	sentence	refer	cause	problem
myth	solution	effect	speaker	summarize
