Based on the Documentation chapter in the acclaimed Broadview Guide to Writing, this volume has been expanded with additional examples and has been fully updated to cover recent changes such as the 2020 APA and 2021 MLA updates. The book discusses summary and paraphrase as well as direct quotation and it includes an extensive treatment of how to integrate quoted material into the text of an academic paper. There is coverage too of what constitutes plagiarism and of how to avoid it *Pocket Guide to APA Style* Robert Perrin, 2007 Pocket Guide to APA Style

Writing Research Papers James D. Lester (Sr.), 1990 *Writing Research Papers* James D. Lester, James D. Lester (Jr.), 2002 The definitive research paper guide. Lester combines a traditional and practical approach to the research process with the latest information on researching and writing online. Comprehensive but not overwhelming, Lester provides students with step-by-step guidance through the research writing process from selecting and narrowing a topic to formatting the finished document. And it backs up the instruction with the most complete array of samples of any research writing guide on the market. Another of the text's ongoing strengths is its extremely thorough and accurate coverage of citation styles for a wide variety of disciplines. This edition maintains Lester's successful approach while detailing the uses of new computer technologies that are changing the face of research. In addition, an all-new Interactive Edition CD-ROM offers the entire text in an electronic format for easy reference while writing and researching on a computer. Numerous multimedia features include interactive research activities, weblinks and resources. The CD is FREE when bundled with the text. Available at an unbelievably low price in two formats: perfect and spiral bound with tabs. Lester's text is one that students will keep throughout their college careers *The Essential Guide* James D. Lester (Sr.), James D. Lester, James D. Lester (Jr.), 2005 Low-cost, small trim size and concise coverage make this research guide a valuable but non-intrusive supplement to a core text or anthology in any college course that requires a research paper. Coverage of Internet sources includes attention to critical evaluation of these sources and tips for using discipline-specialized search engines. Chapter on preparing electronic projects explains methods for incorporating slide presentations, web sites, web PAGES and digital graphics into the research paper. Increased coverage of the library's electronic resources including academic databases. A new chapter 5 focuses on avoiding plagiarism and practicing academic integrity. New chapters 6 and 7 help students identify the best sources, evaluate them for relevancy, AUTHORITY and accuracy, and to create notes that paraphrase quote and summarize effectively. Complete
