women She then calls for men to join the fight to make the workplace more equal SUNDAY TIMES STYLE MAGAZINE
Women spend their working lives adapting to an environment set up for men by men from altering the way they speak to
changing the clothes they wear to power posing But still the gender gap persists And once you see it women being
overlooked interrupted their ideas credited to men it s impossible to ignore But it needn t be this way Diving deep into the
wide range of government initiatives corporate experiments and social science research Joanne Lipman offers fascinating
new revelations about the way men and women work culled from the Enron scandal from brain research from transgender
scientists and from Iceland s campaign to feminise an entire nation Packed with fascinating and entertaining examples from
the woman behind the success of Tupperware to how Google reinvented its hiring process That s What She Said is a rallying
cry to both men and women to finally take real steps towards closing the gender gap Previously published as WIN WIN When
Business Works for Women It Works for Everyone **American Theatre** ,2003 *How to Get Work & Make Money in
