Be My Prince Royal Trilogy 1:

"A Hero Will Endure": Essays at the Twentieth Anniversary of 'Gladiator' Rachel L. Carazo, 2023-05-16 This volume adds to previous historical and political studies about *Gladiator* with essays about the movie's relation to pop culture and contemporary discourses. It not only relates *Gladiator* to traditional cinema aspects such as heroism, music, acting, studio culture, and visual effects but it also connects the film to sports, religion, and the environment, expanding the ways in which the film can be evaluated by modern audiences. The volume can be read by individuals or in classroom settings, especially as a recommended text for students studying the ancient world in film.

The Cup of Ghosts (Mathilde of Westminster Trilogy, Book 1) Paul Doherty, 2012-10-30 Journey to the reign of Edward II where murder was part of the tapestry of life. The first in Paul Doherty's series featuring Mathilde of Westminster is played out against the glorious, violent, and decadent court of Edward II where ghosts throng and old sins and innocent blood cry to heaven for vengeance. Perfect for fans of Susanna Gregory and Michael Jecks. By 1322 Mathilde of Westminster was considered the finest physician in London. But in her years as lady-in-waiting to Princess Isabella, she was drawn into the murky politics of the English court where sudden, mysterious death was part of the tapestry of life. Many years later Mathilde looks back and chronicles her turbulent life. With her sharp, suspicious intellect ready to distinguish between a fatality and an unnatural death, Mathilde is confronted by a host of chilling murders. The source of these horrors is the fierce political rivalry between Philip of France and Edward of England. This manifests itself in a series of gruesome killings, one of which actually took place during Edward II's Coronation when a knight of the Royal Household, Sir John Baquell, was crushed to death. What readers are saying about *The Cup of Ghosts* Doherty has created a vivid and credible picture of life at the royal court. There are very few authors who can even come close to matching Doherty. *Cup of Ghosts* is a beautifully written novel bringing fact and fiction together in a believable story of murder, intrigue, desire for power, and passion in a time when violence and murder was a way of life.
