# Fall From Grace Sex Scandal And Corruption In American Politics From 1702 To The Present

**Paul E. Johnson**

## **Fall From Grace Sex Scandal And Corruption In American Politics From 1702 To The Present:**

*Intimate Politics* James Stanyer, 2013-08-27 It is often remarked that politicians private lives are becoming a feature of political communication in many advanced industrial democracies However there have so far been no genuinely comparative studies examining the personalized nature of political communication *Intimate Politics* provides for the first time a systematic comparative analysis of such developments in Australia France Germany Italy Spain the UK and the US Drawing on a wide range of primary and secondary sources it assesses the extent to which the private lives of politicians have become a feature of political communication in each democracy The book provides a comprehensive account of the shifting boundaries between the public and private and whether any developments are universal or more advanced in some democracies than others and seeks to explain why this might be *Intimate Politics* will be of great value for students and scholars of communication and media studies and political science and is required reading for anyone who wants a fuller understanding of the transformation of mediated politics in advanced industrial democracies

[The Almanac of Political Corruption, Scandals, and Dirty Politics](#) Kim Long, 2007 American history is marked by era defining misdeeds indiscretions and scandals

that politicians seem to accomplish better than anyone else Now for the first time one volume brings together 300 years of political wrongdoing in an illustrated history of politicians gone wild

**Adultery** Deborah L. Rhode, 2016-03-14 Despite declining prohibitions on sexual relationships Americans are nearly unanimous in condemning marital infidelity Deborah Rhode explores why She exposes the harms that criminalizing adultery inflicts including civil lawsuits job termination and loss of child custody and makes a case for repealing laws against adultery and polygamy

**The Caning of Charles Sumner** William James Hull Hoffer, 2010-05-03 A signal violent event in the history of the United States Congress the caning of Charles Sumner on the Senate floor embodied the complex North South cultural divide of the mid nineteenth century William James Hull Hoffer s vivid account of the brutal act demonstrates just how far the sections had drifted apart and explains why the coming war was so difficult to avoid Sumner a noted abolitionist and gifted speaker was seated at his Senate desk on May 22 1856 when Democratic Congressman Preston S Brooks approached pulled out a gutta percha walking stick and struck him on the head Brooks continued to beat the stunned Sumner forcing him to the ground and repeatedly striking him even as the cane shattered He then pursued the bloodied staggering Republican senator up the Senate aisle until Sumner collapsed at the feet of Congressman Edwin B Morgan Colleagues of the two intervened only after Brooks appeared intent on beating the unconscious Sumner severely and perhaps to death Sumner s crime Speaking passionately about the evils of slavery which dishonored both the South and Brooks s relative Senator Andrew P Butler Celebrated in the South for the act Brooks was fined only three hundred dollars dying a year later of a throat infection Sumner recovered and served out a distinguished Senate career until his death in 1873 Hoffer s narrative recounts the caning and its aftermath explores the depths of the differences between free and slave states in 1856 and explains the workings of the Southern honor

culture as opposed to Yankee idealism Hoffer helps us understand why Brooks would take such great offense at a political speech and why he chose a cane instead of dueling with pistols or swords to meet his obligation under the South's prevailing code of honor He discusses why the courts meted out a comparatively light sentence He addresses the importance of the event in the national crisis and shows why such actions are not quite as alien to today's politics as they might at first seem

**Crime Types and Criminals** Frank E. Hagan,2010 A good introduction to crime types and criminology to provide students with a grounding to the start of their studies *Reagan and the Iran-Contra Affair* Robert Busby,2016-07-27 The Iran Contra scandal rocked the Reagan presidency to its core in late 1986 and 1987 This text examines the efforts of the Reagan administration to recover its public credibility in the 12 months following the exposure of controversial covert operations Via comparative analysis it explores the impact of scandal upon the presidential office the problems which confronted President Reagan during Iran Contra and the centrality of damage control efforts to the well being of the modern presidency *Fall from Grace* Shelley Ross,1988 Washington scandal is more than accidental it's an American tradition Political misdeeds are older than the republic Throughout history an aggressive news media has consistently exposed irregularities and illegalities on all sides helping to shape our perceptions about politics and politicians This fact filled book names the names and sets the scenes from almost every presidential administration letting loose history's best kept secrets and most infamous scandals such as The Governor in Skirts In 1702 Lord Cornbury New York's drunken cross dressing Colonial governor general insisted on wearing formal hooped skirts and lady's accessories in public as a tribute to the fashionable Queen Anne The Overzealous Colonel Oliver North's predecessor in clandestine paramilitary activities was William S Smith in Thomas Jefferson's administration Intent on aiding Venezuelan freedom fighters in their battle against Spanish occupation he raised private funds secured weapons and enlisted soldiers of fortune for his private army Drawing comparisons between malfeasance in times gone by and today's simmering scandals Fall From Grace demonstrates how our intriguing if imperfect system manages to stay afloat almost despite itself and exposes the all too fallible men and women

who take the front page by storm **Ronald Reagan and the Politics of Freedom** Andrew Busch,2001 In Ronald Reagan and the Politics of Freedom Andrew E Busch goes beyond economic and foreign policies to examine Reagan's understanding of statesmanship Busch analyzes Reagan's conscious attempt to strengthen the separation of powers federalism and traditional rhetoric and his efforts to revive the notion of limited government in a Constitutional Republic In this important new study Busch concludes that Ronald Reagan's politics of freedom found in his discourse policy and coalition building achieved significant successes in the 1980s and beyond **The Public Journalism Movement in America** Don H. Corrigan,1999-07-30 Analyzes public journalism and illustrates its failure to address the most significant problems of American journalism *The Way We Never Were* Stephanie Coontz,2016-03-29 The definitive edition of the classic myth shattering history of the American family Leave It to Beaver was not a documentary a man's home has never been his castle

the male breadwinner marriage is the least traditional family in history and rape and sexual assault were far higher in the 1970s than they are today In *The Way We Never Were* acclaimed historian Stephanie Coontz examines two centuries of the American family sweeping away misconceptions about the past that cloud current debates about domestic life The 1950s do not present a workable model of how to conduct our personal lives today Coontz argues and neither does any other era from our cultural past This revised edition includes a new introduction and epilogue exploring how the clash between growing gender equality and rising economic inequality is reshaping family life marriage and male female relationships in our modern era More relevant than ever *The Way We Never Were* is a potent corrective to dangerous nostalgia for an American tradition that never really existed *Political Wives, Veiled Lives* Joyce Schuck,1991 Political Wives Veiled Lives presents the startling and often unsettling views of political wives who share a difficult position and tenuous status in the world of politics In this warm and humorous account we see the private side of what it's like to be a political wife and whether one wins or loses life is never quite the same *From Watergate to Whitewater* Marion T. Doss,Robert North Roberts,1997-09-23 The two decades since the Watergate scandal have seen an unprecedented focus on ethics in government The public integrity scandals of the Clinton administration have once again focused national attention on ethics in Washington This work addresses this very topical subject and the authors come to some unusual conclusions Tracing the origins of the modern public integrity war back to the very birth of the nation the authors explain how conservatives and progressives have used allegations of unethical conduct in an effort to persuade the American public to accept their respective visions for American society A cynical public anesthetized to the distinction between actual wrongdoing and partisan attack follows ideology and self interest rather than character allowing politicians to get away with even the most egregious conduct **Presidential Scandals** Jeffrey Schultz,1999-11-18 This text offers a concise single volume survey of presidential scandals in the United States that looks at the behaviour and public image of every president from George Washington to Bill Clinton The scandals covered include Franklin Pierce's drunkenness and JFK's extra marital affairs *Profit Without Honor* Stephen M. Rosoff,Henry N. Pontell,Robert Tillman,1998 Profit Without Honor White Collar Crime and the Looting of America seeks to elucidate a very broad subject white collar crime How broad Its domain stretches from the small price gouging merchant to the huge price fixing cartel It can breed in an antiseptic hospital or a toxic dump It is at home on Main Street Wall Street Madison Avenue and countless other addresses including at times 1600 Pennsylvania Avenue *The American Governor* David P. Redlawsk,2015-12-17 This volume brings together a broad range of research on governors in the American states examining governors as potentially powerful leaders who are subject to a range of constraints as well as considering how individual governors may choose leadership paths that either enhance or detract from that power *Encyclopedia of Presidential Campaigns, Slogans, Issues, and Platforms* Robert North Roberts,Scott J. Hammond,2004 The first half offers a succinct account of every presidential election from George Washington to George W Bush The second half organized in A to

Z entries focuses on important figures slogans events and ideas that gave each campaign its unique flavor Over 100 illustrations complement the entries and a detailed timeline provides a handy point of reference for users The work is thoroughly cross referenced and full bibliographic details are provided BOOK JACKET *American Government*,1994 This mainstream text on American government has an emphasis on political economy and features a leading questions framework in which chapter opening vignettes and the final section of each chapter examine a key why question about the way the Government works New to this issue is the question of why modern Presidents seem unable to deliver what the American public wants Ancillary package available upon adoption **White Collar Deviance** David R. Simon, Frank E. Hagan, 1999 In 1996 a National White Collar Crime Center definition officially made ethical issues part of the study of white collar crime or as the authors prefer white collar deviance This text explores the implications of the new definition discussing various aspects and manifestations of political **Looting America** Stephen M. Rosoff, Henry N. Pontell, Robert Tillman, 2003 This book presents a vivid picture of pervasive corporate fraud The authors well known authorities on criminology argue that white collar crime is the most pernicious crime problem in America today with financial physical and social costs dwarfing those of street crime Looting America traces the historical roots of scandals infecting our economy today with provocative information that will arouse righteous indignation BOOK JACKET *American Government* Paul E. Johnson, 1990
