Colosseums for Dinosaurs Stant Litore, In the far future an empire s Independence Day is celebrated by dinosaur races and gladiatorial games on the backs of armored titans Join us aboard the orbital colosseums This omnibus edition includes The Running of the Tyrannosaurs Nyota s Tyrannosaur and The Screaming of the Tyrannosaur Once each year on orbital space stations nano engineered young women compete on the backs of dinosaurs in races as brutal and bloody as any witnessed in the Roman Circus 3 000 years before Highly skilled and capable of superhuman feats these gladiators live isolated lives except for the resurrected beasts with whom they form their deepest bonds Tonight on the red sands of the arena and inside the hollow asteroid where the dinosaurs are grown the secrets these gladiators discover will shake their entire world Join Livia Tanning Egret Nyota Madaki Jaguar and Mai Changying Timberwolf in the three thrilling tales included in this omnibus edition The Running of the Tyrannosaurs Nyota s Tyrannosaur The Screaming of the Tyrannosaur This is a pulse pounding story a triumph of world building a story of gladiatorial combat and of bonds strange and transcendent Without a doubt one of the most enthralling stories I ve come across Samuel Peralta The Future Chronicles

A Cultural-Historical Study of Children Learning Science Marilyn Fleeer, Niklas Pramling, 2014-10-01 This book moves beyond the traditional constructivist and social constructivist view of learning and development in science It draws upon cultural historical theory in order to theorise early childhood science education in relation to our currently globalised education contexts The book argues that concept development in science for young children can be better theorised by using Vygotsky s concept of Imagination and creativity Vygotsky s theory of play and his work on higher mental functions particularly the concept of inter and intrapsychological functioning Key concepts are extracted from the theoretical section of the book and used as categories for analysis in presenting evidence and new ideas in the second section of the book In this second part of the book the authors examine how science knowledge has been constructed within particular countries around the globe where empirical research in early childhood science education has occurred The third part of the book examines the nature of the encounter between the teacher and the child during science learning and teaching In the final part of the book the authors look closely at the range of models and approaches to the teaching of early childhood science that have been made available to early childhood teachers to guide their planning and teaching They conclude the book with a theoretical discussion of the cultural historical foundation for early childhood science education followed by a model of teaching scientific concepts to young children in play based settings including homes and community contexts

Young Children Visit Museums Margaret Carr, Brenda Soutar, Leanne Clayton, Bronwen Cowie, Jeanette Clarkin-Phillips, Shelley Butler, 2022-09-06 Bringing different cultural perspectives on creativity with them teachers and children in two early childhood education sites in Aotearoa New Zealand were using museum visits as jumping

off places to hone their creative capacity building As a contribution to Tim Ingold s discussion of anthropology and as education and also finding John Dewey s writing valuable specifically his framing of enduring attitudes the authors employ a navigation metaphor throughout the discussion They describe a coming together of four Cultural Anchors thinking from materials with four Coordinates creative capacity builders to describe ways in which the children were making creative sense of the museum exhibits while at the same time gathering information about them They take these travel metaphors from a star cluster in the southern hemisphere night sky Matariki which provided early sea going M ori with guidance as they navigated wide stretches of ocean in their sea going canoes to reach Aotearoa New Zealand A M ori immersion early childhood centre and school and a New Zealand kindergarten provided lively examples of children s and teachers responses to the treasured artefacts taonga in their local museums The book describes an ecosocial framing from little to big and illustrates the different cultural perspectives on creativity The Mana Tamariki kaiako teachers gifted us a title He taonga he rerenga arorangi Where there are treasured objects the spirit is nurtured and creativity will be inspired
