

AP US History Chapter Reading Objectives

The following questions should be answered in paragraph form but are NOT to be considered as essay questions. Each answer should contain about 5-7 sentences and be about 1/3 of a page typed single spaced in length (but sometimes more may be necessary). Make sure you are answering the question that is being asked. These are practice for the writing portions of the AP Exam because here, you need to provide specific examples (and evidence) to answer each question. On the AP Exam, you will need to provide specific examples from history to use as evidence to support your thesis statement in three separate essays. Therefore, these need to be written IN YOUR OWN WORDS and you may NOT work with other students to complete this assignment. The information in you need to answer these is contained entirely in your textbook but you may use information obtained elsewhere as well. **THESE ARE DUE THE DAY OF EACH UNIT EXAM unless otherwise stated in class.**
