Help Yourself to God's Help Travis Monday, 2007-01-17 A creative yet concise Christian response to self help literature and philosophy Written especially for people interested in accessing God's help for themselves and others *Let God Help You Choose Your Partner* Babatunde B. Adeboye, 2004 In today's complex and troubled world it can be very daunting and intimidating for the single Christian when it comes to making choices For the single person who desires to be married someday where do they start Is it God's will for me to be married how do I pray the right prayer how long do I have to wait who is the right person do I have to go dating and courting someone before getting married How does my lifestyle affect my relationship with God my singleness and my eventual marriage What about sex what is marriage all about and how do I prepare for it Covers a wide range of issues from knowing who you are to knowing God's plan for your life from learning how to make godly decisions to grasping the whole concept of marriage If you are a single Christian or not and you are contemplating marriage then this is the book for you A book that tells you exactly what you need to know from the truth of God's word and not about someone else's experience Gives you a clear understanding of why you should allow God and His word to be your guide in all your decision making Identifies the common problems and difficulties that the single Christian person would face How to avoid the pitfalls and mistakes from bad choices that lead to broken marriages and divorce A deeper and greater understanding of God's purpose for marriage What every single person should know understand and prepare for before contemplating marriage Deals with the most important questions asked by singles Deals with relationship issues especially on courting dating and sex Plus many more **Fear Not, For He Is with Us!** Brenda Carlisle Porter, 2021-04-26 This is a very powerful book Your whole outlook on life can be changed You will love reading testimonies that the Lord has performed and also the powerful words of healing will become reality to you as you read it Regardless of what your past or future holds it is a healing and spiritual adventure There will be emotional moments as you walk through this book I am sharing my testimonies of my life before and after cancer Each day I get to write a new page I write prayers straight from my heart My life is a story of blessings the Lord has given me Christ has made a difference in my life and for what He has done for me I want to witness for Him When I was diagnosed with cancer the doctors did not give me hope It is natural for you to find yourself looking for all sources of hope You want signs from the Lord You always pray and ask for healing but as a human being you still have fear of the unknown You always want it in your timing but you have to wait for the Lord's timing Just know that you have to keep your faith and go to the Lord with everything Let go and let God Reading this book will give you peace of mind knowing that the Lord is in control and He is your ultimate source of hope I really feel like this book will encourage and empower you to take charge of your life while you are going through life's challenges Whether you are fighting a battle or not this book will give you faith hope and courage It can help you and your children grow spiritually and become more secure as a family Help me to spread the good news Tell your friends about this book so
