The Marriage Mirage:

The Mirages of Marriage William J. Lederer, Don De Avila Jackson, 1968 This helpful incisive analysis of marriage in America discusses the false assumptions of modern marriage and how to make a marriage work. It is imperative to realize the authors argue that the marital relationship is an interlocked system in itself not a function of individual partners. They offer techniques for appraising one's own marriage, discuss the use of counselors and the dangers of unilateral therapy and outline the major elements of a satisfactory marriage. *Marriage Or Mirage* Morolayo Owoputi, 2019-04-13 This is a book on marriage and understanding successful marriage's love languages like Gary Chapman's book True marriages are a blessing but the consequences that come from a bad marriage are not experiences anyone wishes to live with as these could be cancerous to personal health families societies and nations. As every day realities set in some marriages come across to the dispassionate observer as simply struggling to thrive. Some marriages may appear to be in good health but lack substance. While some fall apart along the way most seem to be enduring marriage rather than enjoy it. Many individuals seem to be struggling to come to terms with the reality that their dreams of a blissful peaceful profitable and harmonious union have been eroded with the passage of time. The surprises are just incredible. There's a significant difference between a true marriage and its counterfeits. Marriage or Mirage is a book for all individuals who are ready and willing to make great marriages. A profoundly compelling book that unravels the secrets to having a marriage that works lastingly through the vicissitudes of life. It's not a book that attempts to mock challenging or failing marriages but rather a resource to help show what marriage is not. It primarily shows you how to know if there's a marriage in your house or a mirage. It reveals and addresses devastating occurrences that make illusionary mirages out of many marriages today. It also illustrates what the Originator's view of marriage is and spells out the roles assigned to each party in the marriage partnership to prevent the occurrence of mirages. A must read. With this book spouses in a discordant marriage are armed with the knowledge of what to do to redeem their marriages and those enduring marriage would discover how their marriages could become a delight rather than an exercise of endurance. Even those experiencing a separation are given by this work the keys to form future workable marriages. It also points out to individuals planning a divorce some truth they need to consider before saying never again. Young couples about getting married are fore armed with the laws of union which they must continually exercise to build a lasting marriage. Above all it will help stakeholders see how to make a marriage work such that all dreams of living happily ever after can become a reality which is the end desired for all true marital journeys. **The Marriage Mirage** John Samuel, 2014-08-09 Twenty years of marriage ends in divorce. John Samuel discusses his family in laws and the events that led to his divorce. An insightful look in to today's marriage dilemma and how couples might understand each other better.

Marriage is proven and tested to be an amazing experience and journey with a stranger or friend turned spouse Interestingly for some they keep counting down to their happily ever after while for others it's been a mistake and regrettable encounter

with their supposed better half Ever imagined why you don t seem to get things right even when you consciously try all you can to make your spouse comfortable and happy Marriage is a mixture of complexities and simplifications you will never get it right if you choose to remain rigid and refuse to compromise not to worry I ll explain better in the later pages You can t always get it right this is one thing we must understand Regardless of the challenges making your marriage work is a struggle a fight and a task you must complete successfully regardless of the numerous failed marriages out there in fact you must be a preacher of love Marriage is popularly seen as an institution that builds and anchors an individual s identity and the bedrock of building a civilized society a subject that should not be neglected one whose learning process never stops and has no particular formula so to think that you know it all and you do not need to know more is really not going to help matters get easier The Untold Mirage explicitly explains and exposes common and unnoticed mistakes spouses make that leads to failed marriages call it revealing secrets responsible for 90% of the world s cases of broken marriages it is regarded as a secret because only few persons know and understands the factors that play out in the background which leads to a persistent misunderstanding and divorce This book teaches spouses the essence of love respect understanding and choice It doesn t in any way limit expel or water down every other tool to maintain a happy home but gives a clearer view of salient issues spouses fail to see and understand Peacemaking is at the centre of successful marriages one that is not forcefully tested but willingly made In all the misunderstandings and fights couples must learn the act of peacemaking an action that bridges the gap between two people that have chosen to live together as one Don t think you are a peacemaker until you go read through the book and grade how much of a peace maker in your marriage you have been you might as well discover how long your spouse has been putting up with you to make the marriage work This book also looks into the menace of domestic violence in homes and the society the effects it has on not just the spouse abused but also on the lives of the children born and raised in such homes You think you shouldn t read to the end Oh no you re not thinking about it You really have to be patient sip out the goodness in this book discover the hidden secrets and my special challenge that works wonders strengthens and heals marriages

Marriage on the Scaffold Belle Peterson,1879 *Ifeoma, a Living Legend* Boniface

Chukwuka Ezeanyaoha Egboka,1996 **Perfect Marriage Not a Mirage** Poonam A. Bamba,2010-02-01 Author s encounters with husbands and wives in different stages of agony and despair while holding matrimonial court led her to reflect deeply on the dynamics of the relationship called marriage Case after case revealed that a lot goes into preparation for rituals and extravaganza associated with marriage But hardly a thought is spared about this delicate relationship Girls and boys are very demanding of their companion but none is ready to pitch in Both want their own way their own space but are reluctant to invest in togetherness The real life stories revealed that you cannot have a perfect twosome when each individual brings his her own imperfections Conflicts would always be there but they can be managed A beginning made with the preamble that marriage has to work can make this bond beautiful To build a pleasant relationship a couple needs to give

time to each other to adjust to the new company and to respect each other's way of life. Attempt to change the other is surely avoidable. Through this book the author shares real life stories of estranged spouses. What went wrong in their relationship and where. Could the marital relationship in certain situations have been saved? Perfect Marriage Not a Mirage also addresses endless doubts which go on in the minds of spouses at the crossroads of their relationship. But at the same time it also demonstrates that there is no uniform code which can make a marriage work. There cannot be a perfect recipe or a rule book which can guide couples to a successful marriage.
