He's seen how things can end and isn't about to open himself up to the kind of hurt that comes when the person you love leaves you. But hanging on to his single status is holding him back in more ways than one. Then they stumble on the perfect solution: They already live together, so why not just get married for six months? It'll get everyone off their backs, help their careers, and give them a break from the singles scene. Everybody wins.
