*Meaningful Encounters* Paula Ressler, Becca Chase, 2019-04-13 Teaching about the Holocaust presents one of the most formidable challenges teachers face. Meaningful Encounters is Paula Ressler and Becca Chase's contribution to the efforts of those educators who wish to meet this challenge more knowledgeably and effectively. It tells the story of a unique inquiry based English teacher education course focused on Holocaust literature from several genres that integrated literacy pedagogies and literary criticism with historical, philosophical, psychological and political theories and contexts. The book involves the reader in the complicated tangle of Holocaust education, critically illuminating how difficult this work is but also demonstrating how teachers can introduce their students responsibly and ethically to this perennially relevant body of literature. The authors offer no facile solutions to the obstacles and pitfalls inherent in teaching this literature. They raise questions, pose problems, consider and analyze how participants responded to issues that emerged and suggest alternative approaches. The authors recount the students' and teacher's unsettling and enlightening experiences, failures and successes. By following along, preservice educators will be able to conceptualize, discuss and practice, and inservice teachers and teacher educators rethink how to teach Holocaust and other literatures about genocide and mass atrocities in culturally relevant and meaningful ways today. **Jewish Currents**, 1998 *The Diary of Anne Frank* Frances Goodrich, Albert Hackett, Wendy Ann Kesselman, 2000 THE STORY In this transcendentally powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl who confronts her rapidly changing life and the increasing horror of her time with astonishment. **Senior High Core Collection** Raymond W. During the Nazi occupation of the Netherlands, Anne Frank began to keep a diary on June 14, 1942, two days after her 13th birthday, and twenty-two days before going into hiding with her mother, father, sister and three other people. The group went into hiding in the sealed off upper rooms of the annex of her father's office building in Amsterdam. The sealed off upper rooms also

contained a hidden door which the Franks would hide in during the parts when Nazi soldiers were investigating the buildings for harbored Jews They remained hidden for two years and one month until their betrayal in August 1944 which resulted in their deportation going to Nazi concentration camps **AB Bookman's Weekly**, 1988-05 **The Diary of Anne Frank** /by Frances Goodrich and Albert Hackett ; Newly Adapted by Wendy Kesselman ; Directed by Al Waxman, 2000 - **House Program** Stratford Festival Collection, 2000 **The Diary of Anne Frank** Wendy Ann Kesselman, 1998-10-01
