Hands that Rocked Vivekananda Chirasree Bandyopadhyay,2021-01-01 Swami Vivekananda has remained an eternal  
source of inspiration for many It is however not widely known that his inspiration was profoundly influenced by his parents  
especially his mother Bhubaneswari Devi This book essentially covers the period when Bengal Renaissance was at its crest It  
gives us a picture of the socio cultural life of Bengal This book also covers the life of his parents who had a profound and  
lasting impact on his personality and from whom he inherited his rare and striking qualities While Biswanath Datta traversed  
large parts of the country following the call of his legal profession Bhubaneswari Devi re mained at home educating her  
children The former was erudite liberal and forthright in his outlook Likewise she was a lady of great personality and  
spiritual attainments All these traits were passed on to Vivekananda Though it is a joint biography the principal emphasis is  
laid on Vivekananda s mother Her influence on Vivekananda s life is much more than that of his father She outlived  
Vivekananda while his father died when he was in his youth Vivekananda s father never lived to see the transformation of his  
loving son from Narendranath to Vivekananda but his mother did and she influenced him till his last days The entrenched  
love of Vivekananda for his mother is also recounted who despite being sanyasi never hesitated to do anything for her even  
accompanying her to the court for litigation    **Saturday Review** ,1898    The American Bookseller ,1891    The
