A Familiar Beast:

Templates of Terrors Nitehawk Interactive Games, 2014-01-04 Templates of Terrors is a collection of templates for players to create their own special follower versions of creatures found in the core rules. It is an add on but only the core books are required to use this book. It is helpful but not necessary to have the OCS campaign books, the Tome of Terrors and the Adventurer's Handbook.

The Antichrist and the Second Coming Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken? The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist, i.e. past fulfillment perspective and provides a unified interpretation of the little horn, the prince to come, the king of the North, the man of lawlessness and the beast. This is the second in a two volume set on the Antichrist; it focuses on the book of Revelation. This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians. McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss, Rev 11:7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67-70 cf Dan 9:26. This spirit of Antichrist was about to come out of the abyss in the first century, Rev 17:8 NASB and was destroyed by the Second Advent of Jesus in AD 70, a spiritual event. Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today. Dr Duncan McKenzie is a licensed psychologist, Ph.D. in psychology who lives in Los Angeles, California. He has been studying Bible prophecy for the past twenty-five years and has been researching and writing this two volume set for the last twelve years.

?????? ?????? Michael Carasik, 2005-01-01 First published 500 years ago as the Rabbinic Bible, the biblical commentaries known as Miqra'ot Gedolot have inspired and educated generations of Hebrew readers. With this edition, the voices of Rashi, Ibn Ezra, Nahmanides, Rashbam and other medieval Bible commentators come alive once more speaking in a contemporary English translation, annotated and explicated for lay readers. Each page of this second volume in The Commentators Bible series contains several verses from the Book of Leviticus surrounded by both the 1917 and 1985 JPS translations and by new contemporary English translations of the major commentators. The book also includes an introduction, a glossary of terms, a list of names used in the text, notes on source texts, a special topics list and resources for further study. This large format volume is beautifully designed for easy navigation among the many elements on each page, including explanatory notes and selected additional comments from the works of Bekhor Shor, Hizkuni, Abarbanel, Sforno, Gersonides and others.
