IMPORTANT NOTICE

This manual has been prepared for the use of authorized Yamaha dealers and their service personnel. It is the intent of Yamaha that these persons, following the industry, and other specific Yamaha products, are properly trained and understand the use, care, and maintenance of these products.

WARNING: Failure to follow recommended service and safety procedures, when servicing this product, may result in personal injury, damage to equipment, and damage to other products. Yamaha and its dealers are not liable for damage to other products, and damage to Yamaha products caused by service which is not performed by an authorized Yamaha dealer or other authorized service representative.

IMPORTANT: The dimensions on page 2 of this manual are only intended for those areas that communicate information, identification, and specifications of the equipment. All dimensions, technical specifications, and service information for Yamaha products are contained in the service manual for that specific product.

The data provided is intended for the location and application for the model indicated on the cover. The research, engineering, and service departments of Yamaha are continually refining our products. Yamaha products, modifications are, therefore, inevitable and specifications are subject to change without notice or obligation for retrofit. Should any discrepancy appear in these, please contact the distributor's service division.

WARNING: Static discharges can damage expensive components. Discharge any static electricity you feel may have accumulated by grounding yourself to the ground bus or the unit. (factory static blocks were supplied for this.)

IMPORTANT: Turn the unit OFF during disassembly and parts replacement. Make sure all work, before reapplying power to the unit.
