

6th Year Graduation Speech

Good afternoon everybody!

You're very welcome here tonight, to celebrate with all of us, as we, the class of 2018 come to the end of what has been a hard, emotional but rewarding time in each of our lives.

I'll take you back!

Six years ago, we entered through the doors of St. Laurence College, and into what we felt back then, the gauntlet that awaited us. It wasn't as bad as we thought. We knew it would be daunting but we accepted the challenge with open arms. The biggest challenge back then was remembering the school policy regarding its one way system; If you'd forgotten anything in your locker- tough; another lap of the school there lads and lasses. But, as we grew the respect for the policy grew along with the respect we learned to give and receive from each other which was clear to see over the years. First year, second year and by third year it seemed we were thinking alike. We wanted to move in the same direction, working together towards our goals and, it has to be said that our attitude towards our learning was not only inspired by each other but by the positive attitudes of the teachers who've taught us over the 6 years.
